

SCMS Seminar

VIRTUALLY FREE-BY-CYCLIC GROUPS

Fudan Topology Seminar

Speaker: Dawid Kielak

University of Oxford

Time: Tue, Apr. 18th, 16:00-17:30

Zoom Meeting ID: 853 0188 1524

Password: Fudan2023

Abstract: (joint with Marco Linton) I will talk about a homological way of recognising virtually free-by-cyclic groups among hyperbolic virtually compact special groups. This yields to an interesting observation about one-relator groups with torsion.
