

## **COUNTING DIMENSIONS OF SPACES OF HARMONIC FUNCTIONS**

**Speaker: Xiantao Huang**  
**Sun Yat-sen University**

**Time: Wed, Jul. 1, 15:00-16:30**

**Tencent room: 212 958 038 Code:141592**

**Abstract:** In this talk, we will review the work in estimating the dimensions of spaces of harmonic functions on noncompact manifolds and dimensions of spaces of L-harmonic functions on  $\mathbb{R}^n$ .
