

***SOME RIGIDITY RESULTS ON MINIMAL HYPERSURFACES
IN UNIT SPHERES***

Speaker: Prof. Jianquan Ge
Beijing Normal University

Time: Thu, Dec. 19th, 13:30-14:30

Venue: Room 306, Shanghai Center for Mathematical Sciences

Abstract: We introduce a recent (on-going) work joint with Fagui Li on minimal hypersurfaces in unit spheres, where some integral inequalities and their equality characterizations are obtained.
