

# SCMS WORKSHOP

## NEUROIMAGING DATA ANALYSIS

**November 3, 2014**  
**Room 2001, East Guanghua Tower**  
**Centre for Computational Systems Biology (CCSB)**  
**Fudan University, Shanghai, China**

9:00 – 10:00

### **Imaging genetics and mental disease (I)**

Guangming Lu (Nanjing University)

10:00-11:00

### **Exploring the social and emotional brain with task related and real time fMRI**

Keith Kendrick (University of Electronic Science and Technology of China)

11:00-11:10 Coffee Break

11:10-12:10

### **Probing the Dynamics of Resting State fMRI Data**

Xiaoping Hu (Georgia Tech and Emory University)

12:10-14:00 Lunch

14:00-15:00

### **Brain connectivity measured with diffusion MRI**

Ching-po Lin (National Yang-Ming University)

15:00-16:00

### **Imaging genetics and mental disease (II)**

Jianfeng Feng (Fudan University)
